

EYSA RE-SCHEDULE/NO SHOW POLICY

Re-Scheduling Games:

Coaches/Area Reps please follow the following rules/procedures with respect to Re-schedules:

- 1) You will only receive (1) free re-schedule. This re-schedule must be for a legitimate reason. All scheduling requests were due by February 15th, 2008.
- 2) All re-scheduling requests except for unavoidable emergencies will cost \$25 per request. The \$25 must be paid to EYSA prior to consideration of the request.
- 3) All requests must come 72 hours prior to game time to be considered.
- 4) Once the \$25 is received EYSA will give you the opponent's phone number and/or contact information to work out a new date. It is your responsibility to find a date that works for the two of you and with EYSA. EYSA recommends finding a minimum of two dates that are acceptable to both coaches. Once you decide on these dates please contact Rob Bowley at 504-9437 or email rob.bowley@designalternatives.com and he will set a time and field if possible.
- 5) If no times or fields are available for those dates, EYSA will provide other options that you can take back to the other coach.
- 6) In the case of weather re-schedules, EYSA will get all games re-scheduled within 2-3 days of the weather cancellation date. If the date EYSA assigns for the re-schedule does not work for your team, please contact Rob Bowley ASAP. The team that cannot make the re-scheduled date will be responsible to find a new date.
- 7) ALL OUT OF TOWN GAMES CANNOT BE RE-SCHEDULED.

Not showing up for a game:

This has not been much of an issue over the last couple season, but EYSA wants to reiterate that this is not acceptable. Please consider the parents and children of the opposing team that went through all the effort to get ready and then get to the fields to find out that they now don't have a game. Any team that does not show up for their scheduled game will be charged a \$25 fee for the first offense. Additional offenses or not showing up to an away game will be brought up to the board. All schedules are now posted online on our website www.etowahyouthsoccer.com and are kept up to date. Not knowing about a game is not an acceptable reason for not showing up. If your game was canceled for weather, please check back regularly with your Area Rep and the website.

Note: All fees received from Re-Schedules and No Shows will be put into the Capital Fund for Field Improvements only.
